

**Minutes of 87<sup>th</sup> IASA Board meeting:  
5<sup>th</sup> May 2020**

Attendance: Patricia Crittenden, Clark Baim, Shiqin Shen, Peter Schernhardt, Agnes von Wyl (minutes)

Apologies: Bente Nilsen

1. Approve/revise the minutes of 86<sup>th</sup> meeting:
  - The minutes are approved without revisions.
2. Next meeting June 2<sup>nd</sup> 2020, same time as usual.
3. DMM Fellowship and applications
  - 8 applications, 5 letters sent out inviting a full proposal.
  - All but one of the invited applicants submitted a full proposal.
  - On the board meeting June 2<sup>nd</sup> the board will discuss the applications.
  - Peter will create a DMM-Fellowship page. On the webpage will be written that the DMM Fellowship is not intended for indirect costs to the universities.
  - Additionally, we decide to not pay supervisors of applicants.
  - Finally, the money can be used to pay coders of DMM assessments.
4. DMM Forum: a disclaimer has to be added on the forum, that it is *not* an IASA forum.
5. Alternative for the forum: An alternative DMM discussion group will be on the Website IASA.
  - Stephanie Wilson and Alex Jack will moderate it (they are the new outreach editors of DMM news).
  - Behind the two moderators Pat suggests having an expert panel. They can be asked if there are difficult questions.
6. DMM news: 4 or 5 issues about Corona pandemic and psychotherapy are intended.
