5. DMM fellowship application

We have four viable applications for the DMM fellowship application. January 7<sup>th</sup> the committee will make the decision and will additionally decide on what level. We have the possibility to choose 3 full applications. Pat proposes that each recipient should organize at his or her university a DMM conference. They can be the keynote speakers; the conferences should be organized as "income earning events" as in Florence.

We need a certificate for the award winners. Bente will create an award with Karen's help.
