

**Minutes of 96<sup>th</sup> IASA Board meeting:  
1 March 2021**

Attendance Board: Patricia Crittenden, Clark Baim, Bente Nilsen, Peter Schernhardt, Shiqin Shen, Terry Keller, Agnes von Wyl (minutes)

Apologies: Raine Karen Hazell

1. The next meeting will be at the usual time on **April 12**.
2. Approve/revise the minutes of 94<sup>th</sup> and of 95<sup>th</sup> meetings:  
Both minutes are approved.
3. Membership:  
The treasurer is the person who has to have the overview over the membership, but the membership chair needs access. This will be arranged through Nancy Fischer Design.
4. DMM News traffic:
  - Shiqin gave us feedback about the DMM News traffic.
  - DMM News is going out in the next few days in the English version.
  - Proposals are needed for the next issues.
  - Mirko will do the formatting of the translated versions as well. The treasurer and assistant treasurer will figure out the average cost for a DMM News issue.
5. Update on DMM Community (including Facebook & Social Media):  
Interviews are now available on YouTube (Pat's and Andrea's talks are finished. Susan, Andrea and Pat are working on another one).
6. Update on new DMM publications
  - Oxford Bibliography for Individual Differences in Attachment has come out, but it is only readable online, it is not printed. Readers need a membership to read it. IASA will consider obtaining a membership for its members.
  - Staying Alive has been accepted by Human Systems.
  - The Italian translation of the Attachment & Family Therapy is out.

- The forensic AAI paper is going to public.
  - Book about attachment and working with families and children will be published late in 2021; it is built around the DMM. The publication is together with other three people.
7. Update on IASA Florida registration & taxes  
Bente will follow up this topic. We had income of USD \$10,000. We pay about \$420 for PayPal. We should find a US bank that is present in all US states. The balance today is around USD \$60,000.
  8. Update on Governance: Need training and new Board Member in charge  
We are searching for a new person to be responsible for this task.
  9. Standing report system: Pat suggests standing report system for every Board meeting to have feedback of DMM News, etc.
  10. Meeting with the Ad Hoc Board: We will decide at our next meeting when we will invite the Ad Hoc Board: May or June.

Zurich, 2. March 2021, Agnes von Wyl
